

International Journal of Engineering and Science Invention

e-ISSN : 2319-6734

p-ISSN : 2319-6726

Contents :

Short Summary on History of Incline Algebra and its Association with distributive lattice	01-03
Phase Behavior and Thermodynamic Insights into Cholinium-Based Magnetic Ionic Liquid Aqueous Two-Phase Systems	04-13
Predicting Heart Diseases Using Machine Learning and Different Data Classification Techniques	14-24

IJESI
Volume 14, Issue 8, August 2025
